

Greetings 3201 Rotaractors!

It brings me joy in sharing that Aaravam '23 - Rotaract Youth Festival which happened on May 7 at Cochin Gymkhana Club was a huge success with the overwhelming efforts of all the clubs of the Cochin region.

After 14 long years, Aaravam '23 now joins as one of the biggest cultural events of RI District 3201 and as Celebrate DRR, it makes me happy that it was organised by Rotaractors from God's own country.

It was nice to witness the display of stalls and shops at the flea market which supported a lot of women entrepreneurs. There were fashion and music shows along with captivating dance performances. The splendid scenery of Cochin city complimented the event well, taking the entire experience to another level.

Kudos to all the Rotaractors of the Coimbatore Region who attended the event. I encourage Coimbatore and Palakkad Region clubs to visit and do more joint projects with Cochin region clubs in person to explore different perspectives of Rotaraction.

Once again, I appreciate the Event Chair Rtr. Aishwarya, Rtr. Aarathy, Rtt. Namith, Rtr. Easwary, Rtr. Tenu and the entire Team Aaravam '23 for pulling off this one-of-a-kind festival.

Let's together celebrate Rotaract!
