

My Dear Rotaractors !

March has been a month to remember with an amazing union of 3201 clubs, be it their joint projects or joint efforts for the District Initiative, speaking of which, I would like to congratulate all the 14 clubs for coming together for UTSAV - 3201's World Rotaract Week Celebration. With all of your collective efforts, we were able to entirely revamp the Government school at Pattanam by installing water tank, shed, paint, fence, planting saplings and providing toys and stationery items to the kids. By this, we have now given them a new atmosphere to shape their future.

I am glad that the Rotaract District Conference- ALPHA was a huge success and I thank all the host clubs: Rotaract clubs of Coimbatore Texcity, JSS INYS and HICAS for their incredible execution. I also thank and appreciate all the Kerala Rotaractors who attended it.

It is nice to see that more clubs are electing their leaders as we speak and I urge other clubs to get on it as soon as possible for the welfare of clubs' legacy. It is so heartwarming to witness wholesome projects being carried out by the clubs and kudos to all the members of the clubs for pulling the projects off with such great enthusiasm. But still, we do need to concentrate more on implementing diverse projects including other clubs, NGOs etc.

To bring to the notice of Presidents and Secretaries, do plan the DRR Visit by getting in touch with the District Secretariat or GRR or GRS soon. Eager to meet you all during the DRR Visit as we approach the last few months of the Celebrate year. Let's make more memories and together celebrate Rotaract !
