

My Dear Rotaractors,

As they say 'All things seem possible in May', this month has proved just that as we were able to pull off all four Group Events - Group 1's Code Red, Group 2's Vizha, Group 3's Hangout and Group 4's Journey. Huge appreciation to all the Group Rotaract Representatives and Group Rotaract Secretaries for their immaculate execution of the same and the efforts of the crew behind the successful celebration. Through the two Group Forums and two Group Trips, we were able to bring together a large group of Rotaractors, including mostly club members and I hope that facilitated a lot of fellowships and the birth of fruitful connections.

Now that the DRR Visits are done, I want each and every one of you to take a minute to slowly turn back the book that you've all been writing this year, one chapter at a time, one page at a time, to relive and self analyze your decisions and activities throughout the year. Hope you feel satisfied and write a proper conclusion to it.

The first step to the Elevate Year, an event to bring the strong set of Council members together - RESONATE: District Officials Training Seminar was held on May 26 to May 28 at Kollengode, Kerala. My sincere wishes to DRR Elect Rtr. Sathish Balakrishnan and his team for the upcoming year. I'm also glad to see that most of the clubs have elected your Leaders, do your best in the process of setting up an inspiring board team as well.

As we are approaching the end of the Celebrate Year era, we are one 'tick' short on the checklist and that is your Scrapbook Submission. The last date to submit is 18th June 2023. Do submit it at the earliest and let me remind you all that only upon scrapbook submission, are clubs eligible for the District Awards.

Let's cherish the memories made! Let's hold dear the friendships created! Let's together celebrate Rotaract!
